Protecting What's Most Important to You

Honeywell
Authorized Security Dealer

Make JP Security Your 1st Choice for Home Security

According to the FBI, in the US, every 4 seconds a home is burglarized. A home without a security system is 3 times more likely to be broken into than one with a security system.

We design, sell, install, service & monitor conventional & wireless security & fire alarm systems that meet your needs & budget.

Alarm Monitoring While You Are Home or Away 24/7 365 Days a Year
