Honeywell

Introducing Symphony...

One-Touch Security Solution

Whether arming or disarming your system, bypassing zones or controlling lights, the easy-to-use touchscreen display makes it simple. Even the most advanced functions are a snap, because Symphony's menu-driven prompts walk you through them step by step.

...the most unique, intelligent new advance in security and home control.

A blend of head-turning style and sophisticated technology, there's never been a keypad quite like Symphony. The vibrant, full color touchscreen interface actually brings your home to life—taking security and home control to new levels by making your life easier than you've ever dreamed possible!

Symphony makes it easier than ever to take advantage of your security system features and convenient home control options. By simply following the graphics on the sleek, vivid touchscreen, you can conduct a variety of everyday tasks with unprecedented ease.

For the ultimate in convenience, comfort and control, count on Honeywell's Symphony Touchscreen Interface. Its intelligent design lets you add real security to your home and enjoy lifestyle-enhancing benefits you won't find anywhere else. No other product can touch it!

Stay Connected... and Safe

With Symphony, you can control all system functions—including security system operation and lighting—remotely from any Web browser.

You're in Control

Symphony offers easy, fingertip control of indoor and outdoor household lighting, garage doors and select appliances. You'll have the peace of mind from knowing that your home and family are safe and secure while enjoying the comforts of home automation.

- Turn on the jacuzzi

- Create on and off lighting schedules for a "lived in" look while you're away

- Turn on lawn sprinklers at predetermined times

Point. Click. Personalize!

Using any computer with an Internet browser, you can easily set up personal Symphony screens for every family member and have valuable Internet information*—like the latest sports scores, news, daily horoscopes and your e-mail—delivered from the Web directly to your customized homepage.

*Additional services required. Internet content subject to change without notice.

Optiflex... your picture perfect security solution.

The protection you need.
The peace of mind you deserve.

An exciting new option, Optiflex gives you the ability to view cameras around your home right at the Symphony touchscreen.

Optiflex makes it easy to:

- View activity occurring around the exterior or interior of your home (i.e. check on workers or service people, keep an eye on children playing outside)
- Screen visitors at your entranceway
- Keep an eye on babysitters when you're away from home
- Monitor your baby in the nursery
- Keep your eye on vulnerable areas (i.e. a swimming pool)

You can also view the cameras on your computer anywhere over the Internet, with the assurance that your privacy is protected with the highest level of data security available.

For the ultimate peace of mind, look no further than Optiflex—the picture-perfect security solution.

- Check up on your children to make sure they arrive home safely from school, via the Optiflex Video Capture feature.

...in touch.
